PERFORMANCE ARRIVES FULLY EQUIPPED

124 TOOLS. ENDLESS CONFIDENCE.

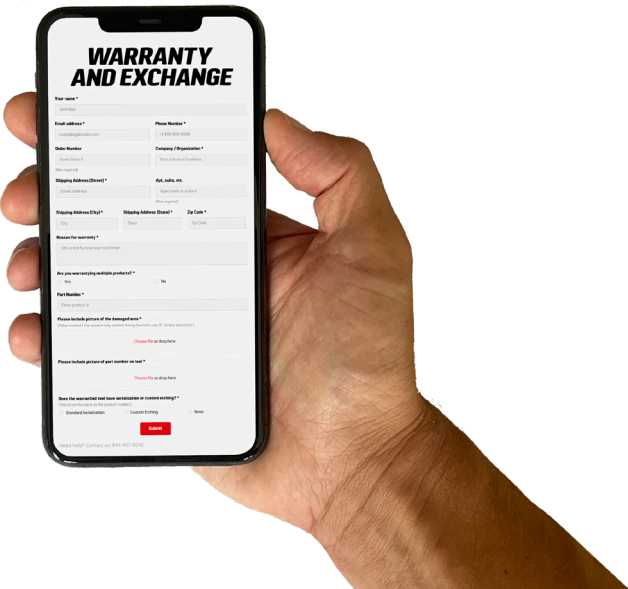

When performance is everything, the right tools make all the difference. That’s why **Sonic has partnered with KIES Motorsports to create the ultimate track toolkit**—specifically engineered for BMW, Porsche, and other European performance machines (Japanese cars that require metric can also use this track kit). This 124-piece set has been carefully curated by KIES Motorsports to meet the precision, durability, and functionality needs of enthusiasts and professionals who demand peak performance, both on and off the track. Stacked with everything, including specialty sockets and complete wrench and screwdriver sets—this compact track kit ensures you’re ready for just about any trackside repair or adjustment. Designed for speed, organization, and performance, the Sonic + KIES Motorsports Track Kit gives you the edge to keep your car running flawlessly—so the only thing you’re focused on is your next lap.

SPECIFICALLY FOR BMW, PORSCHE, & EUROPEAN AUTOS
