

2026 VS. 2027 FORD F-150 ORDER GUIDE COMPARISON

Comprehensive Analysis of Major Product Changes, Powertrain Shifts, Trims, & Option Availability

Source Files: 2026 F-150 Order Guide (09/25/25) | 2027 F-150 Order Guide (07/30/26 - Latest Version)

1. Executive Summary & Core Highlights

Key Takeaway: The MY2027 Ford F-150 order guide introduces significant mechanical and lineup restructuring compared to MY2026. Most notably, the **2.7L V6 EcoBoost engine has been completely deleted** across all trims, replaced by a new standard **3.0L V6 EcoBoost engine (99C)**. On the premium side, the **5.0L V8 engine (995) returns as an available option on King Ranch and Platinum** trims. Lineup streamline changes include the deletion of several lower-volume packages (STX FX4 201A, XLT 303A, Lariat 500A 157" WB), while new entry-level equipment groups are added for Tremor (400A) and Raptor (800A).

3. Detailed Powertrain & Mechanical Changes

Engine Architecture Shift: The transition from the 2.7L EcoBoost to the 3.0L EcoBoost (99C / EN-YX) aligns Ford's light-duty truck base powertrain across standard duty platforms. The 3.0L EcoBoost pairs with the Electronic Ten-Speed Automatic Transmission (44G / TR-EU).

ENGINE OPTION	2026 AVAILABILITY	2027 AVAILABILITY	KEY NOTES & PACKAGE REQUIREMENTS
2.7L V6 EcoBoost (99P)	Standard on XL, STX, XLT (141" & 145" WB)	DELETED	Completely dropped from the F-150 lineup for MY2027.
3.0L V6 EcoBoost (99C / EN-YX)	N/A	NEW STANDARD	New standard V6 on XL, STX, and XLT (NA w/ 122" or 157" WB). Optional on Lariat.
5.0L V8 (995 / EN-AV)	Std XL 122"/157"; Opt XLT, Lariat, Tremor, STX Lobo	EXPANDED	Now optional on King Ranch and Platinum . Standard on XL 122" WB.
3.5L V6 EcoBoost (998 / EN-BM)	Std on 157" WB; Opt on XLT, Lariat, KR, Platinum, Tremor	RETAINED	Standard on King Ranch, Platinum, Tremor, Raptor, and 157" WB models.
3.5L PowerBoost Hybrid (99D / EN-CN)	Opt on XL Fleet, STX, XLT, Lariat, KR, Platinum	RETAINED	Includes Pro Power Onboard 2.4kW standard or 7.2kW (477) optional. Removes 36 gal tank.
5.2L Supercharged V8 (99J / EN-H0)	Standard on Raptor R (803A)	RETAINED	Exclusive to Raptor R (803A / YZDFN).
Front Axle Torsen Diff (61T / EGKAE)	Packaged in higher Tremor equipment groups	STANDALONE OPTION	Now available as a standalone option on Tremor models.

4. Exterior Color & Wheel Availability Updates

Added Exterior Paint Colors (MY2027)

- Birch Sand (S8 / PN4MM)** — Available on XL, STX, XLT, Lariat, Platinum, Tremor, Raptor.

Deleted Exterior Paint Colors (MY2027)

- Antimatter Blue Metallic (HX)** — Dropped across all series.
- Argon Blue Metallic (E9)** — Dropped across all series.

- **Neptune Blue (CD / PN4MP)** — Available on XL, STX, XLT, Lariat, King Ranch, Platinum, Tremor, Raptor.
- **Wild Green (FC / PN4LC)** — Available on XL, XLT, Lariat, Tremor.

- **Avalanche (DR)** — Dropped across all series.

Wheel Lineup Updates

- **NEW Dealer Installed Option (DIO):** 22" Ebony-Painted 6-Spoke Aluminum Wheel (Option Code: FH5AF).
- **STX Wheels:** 20" Dark Gray Aluminum Wheel standard on STX 200A; 18" Gloss Black Wheel on STX 200B.
- **XLT / Lariat Wheels:** 18" Gloss Black, 20" Chrome-Like PVD (64L), and 20" Gloss Black Painted Aluminum (19P / 195) options retained.
- **Platinum / King Ranch Wheels:** 20" Painted Gloss Ebony Black standard on Platinum; 22" Premium Painted w/ Chrome Inserts standard on Platinum Plus (703A).

5. Detailed Breakdown by Vehicle Series & Trim Level

XL Series

- **Engine Shift:** 2.7L EcoBoost deleted. 3.0L V6 EcoBoost (99C) becomes standard engine on 141" and 145" wheelbases. 5.0L V8 remains standard on 122" and 157" wheelbases.
- **Security Upgrade:** Ford Security Package (1-year included standard; 7-year option 76T/N02AD available).

STX Series

- **Trim Streamlining:** STX FX4 Special Trim (201A) is **deleted** for 2027. STX Black Appearance Package is also deleted.
- **Package Expansion:** The **FX4 Off-Road Package (55A / AAXAD)** can now be ordered directly as an option on STX 200A (YZBBA), allowing buyers to add off-road equipment without a dedicated series code.
- **Powertrain:** 3.0L EcoBoost replaces 2.7L EcoBoost. 5.0L V8 optional with F-150 Lobo Package (19S).

XLT Series

- **Trim Streamlining:** XLT High (303A) equipment group is **deleted**. The lineup is consolidated into 300A (Standard), 301A (Base), and 302A (Mid).
- **Standard Features Upgrade on 302A:** **Body-color front & rear bumpers** are now standard on 302A (YZCDX). **Ford Co-Pilot360 Assist 2.0** is standard on 302A.
- **Packages:** XLT Black Appearance Package (193) and XLT Black Appearance Package Plus (19P) remain optional on 301A/302A.

Lariat Series

- **Configuration Delete:** Lariat 500A with 157" Wheelbase is **deleted**.
- **Chrome Package Option:** Lariat Chrome Appearance Package (86C / AACC3) is now optional on Lariat 500A (YZCCA) and 501A (YZCCB).
- **Powertrain:** 3.0L V6 EcoBoost (99C) available on select SuperCrew configurations. 3.5L EcoBoost and 3.5L PowerBoost Hybrid remain primary powerplants.

King Ranch & Platinum Series

- **V8 Powertrain Choice:** The **5.0L V8 engine (995 / EN-AV)** is newly optional on both King Ranch (600A/601A) and Platinum (700A/701A/702A), offering traditional V8 power alongside the standard 3.5L EcoBoost and optional 3.5L PowerBoost Hybrid.
- **Equipment Groups:** Platinum retains 700A (Standard), 701A (Base), 702A (High), and 703A (Platinum Plus). King Ranch retains 600A and 601A.

Tremor Series

- **New Entry Trim:** Introduction of **Tremor 400A (YZBB8)** as a new standard equipment group alongside 401A, 402B, and 402A.
- **Mechanical Option:** Front axle with Torsen Differential (61T / EGKAE) is now available as a standalone freestanding option on Tremor models.

Raptor Series

- **New Entry Trim:** Introduction of **Raptor 800A (YZDCA)** as a new entry standard equipment group alongside 801A, 802A (Raptor 37), and 803A (Raptor R).
- **Powertrain:** 3.5L EcoBoost High Output standard on 800A, 801A, 802A. 5.2L Supercharged V8 standard on 803A (Raptor R).

6. National Discount Packages & Feature Availability Summary

SERIES	EQUIPMENT GROUP / PACKAGE	REQUIRED OPTIONS / ENGINE	MY2027 MSRP DISCOUNT
STX	200A / 200B	3.0L V6 EcoBoost Engine	\$1,000 - \$3,000 Package Discount
XLT	302A Mid	3.5L V6 EcoBoost Engine or BlueCruise 1-Yr + Tow/Haul	\$250 - \$2,000 Discount
XLT Black Appearance	193 (Black) / 19P (Black Plus)	3.0L or 3.5L V6 EcoBoost Engine	\$500 - \$1,000 Discount
XLT Chrome Appearance	86B	3.0L or 3.5L V6 EcoBoost Engine	\$1,000 Discount
Lariat	502A High	Soft Tonneau, Spray-in Bedliner, Floor Mats, Wheel Liners	\$500 - \$2,000 Discount
King Ranch / Platinum	600A / 700A Series	Soft Tonneau, Spray-in Bedliner, Floor Mats, Wheel Liners	\$500 Discount

Summary & Order Recommendation: MY2027 ordering should take note of deleted option codes (2.7L engine 99P, STX 201A, XLT 303A, Lariat 500A 157" WB). Orders previously specifying the 2.7L V6 must now select the 3.0L V6 EcoBoost (99C). For King Ranch and Platinum customers desiring a V8, code 995 (5.0L V8) can now be explicitly selected.
